Pascoag Utility District (PUD) is pleased to offer rebates to customers purchasing selected energy efficient ENERGY STAR appliances, including refrigerators, clothes washing machines, dishwashers, room air conditioners, air purifiers and dehumidifiers. ENERGY STAR appliances have been identified being significantly more energy efficient than the average comparable model.

Advantages of purchasing ENERGY STAR appliances are:

- Potential savings in energy costs of between 10 and 50%.
- Reduction of global energy consumption and need for additional generation.
- Decrease in pollution from fossil fuels used to generate electricity.

To be eligible for the PUD Energy Efficient Appliance Rebate Incentive:

- *Applicants must be active year round residential customers with the PUD.*
- **Only** ENERGY STAR refrigerators, clothes washing machines, dishwashers and room air conditioners and dehumidifiers are eligible for rebate. Appliances that may qualify will have an ENERGY STAR logo on the yellow Energy Guide label that is attached to the appliance or see the *Eligible preliminary list of Appliances at: <http://www.energystar.gov.products/>.*

To receive a rebate, please bring the original sales receipt and your Energy Guide/Energy Star label to the Pascoag Utility District for verification and processing. A customer purchasing an ENERGY STAR compliant refrigerator, freeze, or clothes washer will receive an incentive of 10% not to exceed \$75.

ENERGY STAR compliant dishwasher or air purifier will receive \$50; an ENERGY STAR air conditioner will receive \$25; an ENERGY STAR dehumidifier will receive \$20. The incentive will be applied to your electric account provide the appliance is energy star compliant.

- *Offer limited to **ONE** ENERGY STAR appliance purchase for each appliance per household.*
- *Appliance must be installed at the account location.*
- *PUD reserves the right to inspect the installation on premises.*

This offer is for a limited time only, subject to availability of funding.
