

Energy Star

Change a Light Campaign

Change a Light! The ENERGY STAR Change a Light Campaign is a national challenge to encourage every American to help change the world, one light — one energy-saving step — at a time. You can show your commitment by pledging to replace at least one light in your home with one that has earned the ENERGY STAR rating.

This offer is for a limited time only, subject to availability of funding.

Please attach the original sales receipt and copy of the packaging or booklet which shows that the light bulbs are energy star compliant.
